2026 Annual Benefit Art Auction Donation

As you complete the Artwork Donation Form for KCAC's Annual Art Auction, we want to express our sincere gratitude. **Your art is central to this event's success.** Each donated piece expands the visibility of artists across Kansas City and

the region, connects collectors with new creative voices, and strengthens KCAC's mission to uplift and support our artistic community.

A committee of leading area curators and KCAC will review and select the 50 artworks that will be featured in the live auction.

It is through the generosity and support of our artists that we are able to have an Auction that our community has attended for over four decades. Pictured above is a moving image of one of our co-founders the late Philomene Bennett taking a moment to sit with the auction artwork from 2024.

Thank you for being part of this year's Auction. We look forward to celebrating with you and showcasing the art and artists who make Kansas City extraordinary!
